“ Our dear Aunt Angela was a beautiful, charitable and loving person. She truly walked the walk of her Catholic faith, which was an inspiration to all. Her compassion and kindness for others shined in her eyes! She was a good listener with a sympathetic ear. We really appreciated her care and support over the years. I'm sure they are rejoicing in Heaven as they welcome her into the Kingdom. We are going to miss her tremendously. Our deepest condolences to her family, especially her beautiful sons, Jimmy and Michael.

“ Angela was one of the most saintly people I've ever known, and the best godmother anyone could ever have. Her presence was always a joy, and she was always someone you could go to if you ever needed logical, caring advice. She felt like a grandmother to my family, and we always looked forward to spending time with her. Angela is in all our prayers, and she will be greatly missed.

“ Angela was a wonderful woman whom I'm blessed to have known. She has supported me in so many ways as a mother to a growing family. I have learned from her deep faith and witness to Christ and have been changed for the better because of her. I will miss seeing her at daily Mass when I can get there and in all of my activities with 40 Days for Life and our deep and lasting friendships as companions on the journey. Thank you Angela for your faithful witness and changing me. I hope I can be half as good a person as you were. To her family and children - I am deeply sorry for your great loss. May you find comfort in your memories, in knowing that your dear mom/grandma/etc. was a pillar of authentic faith & beauty, that she is safe where she belongs, that you will see her one day again, and that she truly made a difference. Rest in peace my dear friend. ~ Sarah Stodolka
