“ *Dawn, my sweetheart. You are my one TRUE LOVE for over 31 years. Met you when you were only 18 years old in Arlington, MA. I was your boss at the convenience store. I remember when you left your interview with me, I continued to watch you walk across the street to your home on Palmer Street. I saw you as a stunning beauty, and i had a bright & sparkle in my eyes. I wanted more. We've shared many beautiful and memorable times together. Memories I will NEVER forget. I remember when you asked me on Valentines Day a question.....You asked me what I would say if you told me you were pregnant....I immediately responded , "you would make me the happiest person in the world!" You were shocked, and thought I'd be upset. NOPE. Ultimately, we received the treasure of a precious and lovely son named Brendon, who you let me name. He is the best! I will always remember you as you were. ...Comforting, loving, understanding, thoughtful, comical, and a breath of fresh air. You are truly missed. I know that you are now being kept warm in God's safe arms, free of any strife, suffering, pain, and hardship. May you rest in peace as I know know that you will be my Guardian Angel always. I'll see you in my dreams Dawn.With forever love, today, tomorrow, and always. :-)*Marc603 858-6794
