“ I am so sorry to see that Gina passed away. For the past two years, after trying to call her several times, I regret that I didn't call a family member to find out where she was. I know that the last time I talked to her in 2010, to tell her my sister had passed, she wasn't feeling well and when I mentioned stopping to see her she was not up to it.

Many of my earliest childhood memories include Gina, in that she was my mother Marie's best friend. She was in many ways a second mother to me during my early years. She shared the best and the worst of times with my parents throughout the years. She was smart, didn't suffer fools, and was simply fun to be around. When she was at our house no matter how sick my parents felt, she energized them. My Mom always looked forward to talking to her and spending time with her. She was always there for my mother.

I know that she is right now having a drink with my Mom and Dad, and I will keep her in my prayers.

“ Gina was my mother's room-mate at Baptist from approximately December 2010 until my mother's death July 12, 2013. Gina was my mother's guardian angel. She looked out for my mother which gave me comfort when I was not around. Gina was a good person.
RIP Gina

“ As childhood friends we played together & enjoyed each others company. Gina gave me the honor to be a bridesmaid at her wedding. I am so sorry to learn of her passing. My condolences to her sisters Helen & Kitty.

“ To the Family of Gina, We just wanted to give our condolences. Gina was such a sweet lady. Every time she came into the shop she was always happy. She always came in perfect. (I mean her hair always done, her make up always done & she smelled good too). I know this may sound weird. But it is what I remember of her. I always laughed at her stories of her & her sister. May she rest in peace. She will be greatly missed. Michelle Walter-Crispino
