“ I just found out yesterday about Marks passing and am sorry I missed the service. I've know Mark my whole life, from grade school on up into high school. Although we didn't always keep in contact, I will always remember some of the fun times we had as kids. Years after HS I saw Mark and he was the same. Always working hard and doing his best to take care of his loved ones. He was a great guy and I am saddened by his passing.

“ Mark, I reflect back to the times I saw you at your daughter's Kristen and Michael's home. Many good times will remembered and revisited time after time! May you rest in peace and embrace your journey into Heaven. I know you'll be looking over Kristen and her little ones. Prayers to all of your family who love you and will truly miss you everyday until they meet with you in Heaven.
